

CASE STUDY:

Supporting PRIDE Industries – Federal Courthouses
in Dallas & Tulsa

CLIENT: PRIDE Industries (Federal Contractor)

LOCATION: Dallas, TX & Tulsa, OK

CONTRACT TYPE: Subcontractor on Federal
Facilities O&M Contract

SERVICES PROVIDED: Landscaping, Floor
Services, Porter &
Janitorial Support

DURATION: 2024 – Present

OVERVIEW

Leansite was selected by PRIDE Industries to support a multi-site federal contract involving three major courthouse buildings in Downtown Dallas and one in Tulsa, OK. These courthouses required meticulous upkeep, compliance with federal facility standards, and seamless collaboration with multiple stakeholders.

SOLUTION & EXECUTION

Leansite deployed a dedicated team of cleaning and landscaping professionals with active security clearance, supported by our AI-powered platform for task scheduling, quality assurance, and photo-verified job completion. We managed:

Daily floor maintenance (strip & wax, buffing)

Routine landscaping and seasonal grounds care

Restroom sanitation and waste management

On-demand porter services for high-traffic areas

IMPACT

98% compliance rate with GSA cleanliness audits

Reduced incident reports by 40% across sites through preventive floor care

Streamlined operations with real-time service logs and digital QA reports

Positive feedback from both GSA reps and courthouse facility managers

Turn your facilities into smart, self-managing buildings
